( ) indicates a decrease/negative

**PURPOSE OF MEASURE:** The purpose of the measure is to provide for Medicaid reimbursement of outpatient hospital services under the Hospital Rate Improvement Program (HRIP).

**FISCAL EXPLANATION:** Currently, the HRIP only applies to Medicaid reimbursements for inpatient hospital services. The Department for Medicaid Services estimates that inclusion of reimbursement for outpatient hospital services in the HRIP would result in increased Medicaid expenditures of \$318.3 million in Fiscal Year (FY) 2023 with an increase of \$63.7 million in Restricted Funds and \$254.6 million in Federal Funds. In FY 2024, the legislation is estimated to result in increased Medicaid expenditures of \$1.4 billion with an increase of \$322.5 million in Restricted Funds and \$1.1 billion in Federal Funds. Hospitals would continue to pay the state match share – as represented in the Restricted Funds – through the hospital provider tax.
